

One of the Prestigious & Largest Sea-Bridge Freeway Project

About The Project

This was one of the prestigious and largest sea-bridge freeway projects executed by our team, we had to make sure two things were delivered - accuracy & quality. Our team covered both along with meeting deadlines early.

Project Scope

3D Model creation & Preparation of Shop drawings including clash checks.

Project Deliverables

IFC Model, Shop drawings & Bar Bending Schedule for the following elements:

- Segments
- Pier heads
- Integral Piers
- End Sections
- Diaphragm
- Ramps

Software

- Tekla
